Re: 10 Partridge Rive, East Hills, NY

Dear Board members,

We are hereby requesting permission to remove a tree in the rear yard of the above property.

The base of the subject tree is about 4 feet higher than the average elevation of the rear yard, and is located approximately in the center of the backyard. The removal of the tree will allow us to level the rear yard and provide a useable location for a patio and lawn area.

We look forward to your kind cooperation in this matter.

Truly yours,

Javid Zarabi
