Re: 2/6/17 ARB Review of 25 Spruce Drive

Dear ARB,

I am a neighbor to 25 Spruce Dr. I understand that the current owner of 25 Spruce has filed an application for a building permit that includes the removal of 11 trees. The property is currently substantially overgrown and many of the trees appear to be in decline and hazardous. I do not have any objection to the removal of these trees.

Please feel free to read this letter into the ARB record on 2/6/17.

Your Truly

  
Bruce Finestone
